

Boswedden House Guest Access Statement

Accessibility

Boswedden House welcomes people with disabilities and has developed the Access Statement to address some of the more common issues that disabled people face.

This access statement is intended to provide additional information for all guests who wish to attend the house or use its facilities.

Recognition has been given to include guests with an impairment, which could include:

Mobility, Sight, Hearing, Learning Disabilities or any other hidden impairment.

Boswedden House aims to ensure that all employees, guests and others who use, or assist in, the provision of our services – whether they have a mobility difficulty, a visual impairment, are deaf or hard of hearing, are deaf blind, have a speech impairment or

difficulty, have a learning difficulty or mental health disability, use a cane, walking frame or crutches, or have any other disability – are treated equally and according to their needs.

We request that anyone wishing to make an enquiry or booking, informs us of any special needs or disabilities that they may have in order for us to meet any personal requirements. All of our staff are considerate of guests who may have special needs.

Boswedden House is located 1 mile from St Just and 9 miles west of Penzance and is situated on the A3071 road approximately 1 mile along towards Cape Cornwall.

Boswedden House has 1 car park all on a level surface situated at the rear of the property. Anyone with mobility needs is welcome to enter at the rear for ease and a parking space could be made available exclusively upon request.
